### **Harry Miller**

#### ***The threat to free speech and how to combat it?***

**Harry Miller** is well known champion of the Article 10 ECHR right to freedom of expression and has clocked up a number of wins against police overreach. His 2020 High Court victory against the chief constable of Humberside saw the police compared to the Stasi, the Cheka and the Gestapo. In a victory against The College of Policing in 2021, he forced an entire re-write of the Hate Crime Guidance. Harry is co-founder of the police watchdog, Fair Cop, which continues to monitor and challenge Chief Constables throughout the United Kingdom for any sign of politicised policing. ### **Louise Perry**

#### ***The case against the sexual revolution***

**Louise Perry** is a journalist and author based in London. Her first book, *The Case Against the Sexual Revolution*, was published in 2022. She is the director of *The Other Half*, a new non-partisan feminist think tank, and the host of *Maiden Mother Matriarch*, a podcast about sexual politics. She tweets at @louise\_m\_perry.
